Re: Public Records Request

Dear Tim:

As you know, I not only represent Attala County in litigation but I am the attorney for the Mississippi Sheriffs' Association. I was recently contacted by the MacArthur Justice Foundation regarding Attala County's Jail Census for March, 2019. They sent a Public Records Request for the same and have not received a response.

As you know, New Criminal Rule 8.5(c) states that we must provide a Jail Census no later than seven (7) days before the commencement of each term of Circuit Court to the presiding judge, the District Attorney and the Clerk of the Circuit Court. This census must include the name of all defendants in the County's custody, the charges for which they are being held, and the date that they were most recently taken into custody.

If you can forward me your March Jail Census, I can keep MacArthur from suing us.

If you have any questions, please do not hesitate to contact me.

With kindest regards,

Very truly yours,
